Experience_

If required, I would welcome the opportunity to provide additional examples of or information about all of my work. The following chronology will however give an indication of what I have achieved thus far in my career.

References available upon request.

2016 - 2022

ITV Studios Senior Lead Designer

Leading and art directing design teams on a vast array of diverse projects.

- Instrumental in the department expansion.
- Art directed large branding campaigns: Change and Check (Lorraine), 1Million Minutes (Good Morning Britain).
- Re branding: Loose Women to coincide with the move to new studios.
- Directing: productions shoots, visual effects, photo shoots.

- Implemented efficient work practises which span across many work flows and departments.

2010 - 2016

ITV Studios Designer

Designing within a creative team, in a fast paced, dynamic live TV environment.

- Brand designer for the launch of Good Morning Britain.
- Completed multidisciplinary design projects across multiple platforms, including: Screen, print, Online.
- Acquired a vast working knowledge of TV production and work flows.

2005 - 2010

Endemol UK Senior Motion Graphics Designer.

Experienced in all stages of the design process, from pitching and storyboarding through to completion and delivery of the required project. Within this, my varied roles include:

- Instrumental in the development stages of many famous TV shows.
- Working on productions, which went on to win awards including a Bafta.

- Expanded the in house department to facilitate motion graphics/moving image projects.

2004 - 2005

Studio Decoy Art Director and Designer

I formed a working partnership with two colleagues under the name 'Studio Decoy'.

- Experienced in budgeting process.
- Winning Pitches.
- Clients: Warner Records, Astra zenica, Fifa.

Teaching experience_

2019 - 2022

Anglia Ruskin University Guest lecturer

Consecutively for 3 years I taught BA Architecture Students a 1 day animation course.

- Experienced in Live teaching environment.
- Experienced in Online teaching.
- Involved in the marking process.
